MINISTRIES

February 27, 2012

Dear Friend,

God is moving in Japan. We so appreciate your prayers! We're especially excited about the spring semester coming up. Our students are starting to outreach more than ever. Please believe with us!

February Ski Retreat

The college semester wrapped up recently, and we piled a bunch of students into two vans for a ski & snowboard outing. It was great! We also visited Hope International Fellowship, a sister church in Shizuoka that saw a huge miracle in December. They **bought a building worth about \$1 million for under \$200K!** It's a long story, but God moved powerfully after many prayers. He's able!

A New Season of Outreach

A professor at Kanagawa University invited Ted to speak to his class of 150+ students in January. Strategies are now coming together to do more ministry on campus. Ted has also been training others to lead key operational teams at church, freeing him up to do more outreach again. **Please pray for Kanagawa University, Kanto Gakuin University, and Soushin Girls School.** We have opportunities at these schools, and are believing for our most fruitful stretch ever!

More Tohoku Relief Work in March

The need for volunteers continues, especially in repairing houses that have been ruined by smelly sea water. It seems our team in March will tear down walls from damaged homes so that the foundation & frames can be treated, then rebuilt. **Non-Christian friends will join us as we serve the Tohoku people, so we're excited about seeing God's love flow in multiple directions again through this trip.**

Ten Thousand Homes: Eric & Mimi McMillian

Some of you have been supporting us since the mid-90's, and we are so blessed! Do you remember Eric & Mimi? **They now live in South Africa building homes & helping HIV/AIDS orphans!** In youth ministry, if you impart passion and vision, you never know what God might do! So many of those we've reached over the years are doing big things for God now, and we hope to share their stories with you from time to time. Learn more about Eric & Mimi here:

The family's doing great! We also snuck away for a sledding day at Mount Fuji, which was a blast. Managing the schedule between ministry and family is forever a battle, but a battle worth fighting! Hope your ohana is healthy and growing and blessed.
