Ted has been BUSY this month visiting our partners and meeting new partners, as he has done every summer for the past twenty years! What?! Wow, it's crazy just to put that thought in writing. And what is he telling everyone? That we're as committed as ever to reach the YOUNG LEADERS that will shape our future!

After our 7+ years in Japan, most of the ministry action that Every Nation used to have at the UH Manoa campus has dwindled down. The good news is that many of those we reached in our early days are either active on the mission field (in places like London, South Africa and the Philippines), or involved in our outreaches through Grace Bible Church Pearlside (30 minutes west of UH, where hundreds are being reached and discipled from UH West Oahu, Leeward Community College, local high schools, etc).

But that won't be the end of the story! We'll tell you in our next letter about the big plans we are about to launch for outreach at UH Manoa in the fall.

*According to Barna,
77% of born-again Christians
receive Christ
by the age of 21.*

UH! ...20,000 students
...14 campus ministries
...400 average attendance
Only 2%
of the campus is being reached!!!

1,000 INTERNATIONAL STUDENTS.
FROM OVER 100 COUNTRIES.
OVER 200 ARE JAPANESE STUDENTS.
THE NATIONS ARE AT OUR DOORSTEP!

Yours in this Strategic Harvest Field,

Ted and Lauren
